Lawyer for the Dog-Lee Robinson 2015-07-07 One of the sharpest attorneys in Charleston, S.C., Sally Baynard isn't your typical southern belle. She's certainly not what her mother hoped she'd grow up to be, especially since she divorced her husband, Family Court Judge Joe Baynard, and his historic family with their historic wealth and historic houses. Maybe Sally was never going to be a proper society lady, but her success as a public defender and family lawyer have been enough for her. She's represented murderers, burglars, drug dealers and lately has taken on some of the thorniest divorces, all cases closed with her Sally Bright Baynard wit, charm and brains. Or have they? One case she's never successfully closed is her marriage. And when Judge Joe assigns her to one of his divorce cases by appointing her as the Lawyer for the Dog -- Sherman, a miniature

schnauzer-- she's forced into close quarters with him again. Juggling the needs of the dog, the angry owners, her amorous but uncommunicative ex-husband, her aging, Alzheimer's-ridden mother, and the expectations of the court is more than Sally could have imagined. And as rascally Sherman digs his way into Sally's heart, he brings along his charming vet Tony, a man who makes Sally question her views on love and marriage.

Lawless In Leather-Melanie Scott 2015-05-05 SHE'S GOOD AT HER GAME.

Raina Easton never dreamed she'd end up playing ring master to a bunch of baseball cheerleaders. But when the New York Saints offers her a job to coach its new squad—the Fallen Angels—Raina can't refuse. As the owner of a burlesque club, she can certainly show the girls more than a few good moves. But as for her new boss? That is, as they say, a whole 'nother story. .

. AND HE'S GOT IT BAD. Army veteran, biker, and all-around tough guy, Malachi Coulter isn't your typical sports-team owner. For one thing, he doesn't think cheerleaders belong on the baseball field. Another: he can't seem to separate business and pleasure when he meets his somewhat scandalous new employee. Seems the major-league bad boy has met his match in the gorgeous, feisty Raina. All's fair in love and baseball...could it be that, after all this time, Malachi is playing to win?

Widows, Heirs, and Heiresses in the Late Twelfth Century-John Walmsley 2006 "This work is a new critical edition and translation of the late-twelfth-century Rotuli de Dominabus et Pueris et Puellis. These records were the result of a little known Domesday-like royal enquiry into the status and assets of widows and wards on estates held directly by the Crown in 1185. As such they were a precursor to the veredicta of the general eyre from the 1230s on and of the extents attached to the Inquisitions Post Mortem from the 1240s. The implications for royal power and control and the machinery which brought them into being no doubt also led to the concerns expressed about inheritance and the treatment of widows and wards in the early clauses of Magna Carta in 1215. Translation of this material in toto makes it an invaluable source book for undergraduate and postgraduate students interested in the economy and society of medieval England and also for those interested in the history of women."--BOOK JACKET.

What?! I Already Surrendered. Now, You Want My Mind Too!-Susan Smith 2018-06-07 Philippians 2:5 (KJV) Let this mind be in you, which was also in Christ Jesus. What does this mean? How do we live this? Come with Susan Smith on the journey God took her on to teach her what true surrender means. She thought she had surrendered until God started dealing with her about her mind. Nobody likes giving control up. We must if we are to align with Jesus Christ. Our mind must become nonexistent to become His mind. Our desires should be His desires. We must align with the Bible. When we give God complete control especially of our mind we will live in a place of such peace and freedom we will wonder why it took so long to do this. The process to do this is difficult because of what our society has taught us about taking care of ourselves first. It must be! It has to be God first! Take a

walk on the wild side looking at your mind through God's eyes. It will be revolutionary!
