Queen of Fire-Anthony Ryan 2016-06-07 "In the thrilling conclusion to the bestselling Raven's Shadow trilogy, Vaelin Al Sorna must help his queen reclaim her Realm. Only his enemy has a dangerous new collaborator, one with powers darker than Vaelin has ever encountered. The Ally is there, but only ever as a shadow, unexplained catastrophe or murder committed at the behest of a dark and vengeful spirit. Sorting truth from myth is often a fruitless task. After fighting back from the brink of death, Queen Lyrna is determined to repel the invading Volarian army and regain the independence of the Unified Realm. Except, to accomplish her goals, she must do more than rally her loyal supporters. She must align herself with forces she once found repugnant -- those who possess the strange and varied gifts of the Dark -- and take the war to her enemy's doorstep. Victory rests on the shoulders of Vaelin Al Sorna, now named Battle Lord of the Realm. However, his path is riddled with difficulties. For the Volarians have a new weapon on their side, one that Vaelin must destroy if the Realm is to prevail: a mysterious Ally with the ability to grant unnaturally long life to his servants. And defeating one who cannot be killed is a nearly impossible challenge, especially when Vaelin's blood-song, the mystical power that has made him the epic fighter he is, has gone ominously silent."

Mustang Man-Louis L'Amour 2003-09-30 In Mustang Man, Louis L’Amour takes Nolan Sackett on a dangerous journey into family betrayal, greed, and murder. When Nolan Sackett met Penelope Hume in a cantina at Borregos Plaza, the girl immediately captured his attention. That she was heir to a lost cache of gold didn’t make her any less desirable. But Penelope isn’t the only one after her grandfather’s treasure; Sylvie, Ralph, and Andrew Karnes, distant relatives with no legal claim to the gold, are obsessed with claiming the Hume fortune for themselves. Their all-consuming sense of entitlement recklessly drives them to ambush and murder. Even if Sackett and Penelope are fortunate enough to escape this deadly trio and find the canyon where the gold is hidden, Indian legend has it that nothing will live there—no birds or insects. They say it is filled with the bones of men.

The Ferguson Rifle-Louis L'Amour 2005-07-26 It began with gold that had once belonged to Montezuma. Stolen and cached in a church in Mexico, it was recovered by two army officers who fled north for the French settlements. Along the way one stabbed the other to death. Now Ronan Chantry, a handful of trappers, and an Irish girl whose father was killed after telling her a few

vague landmarks are searching for the lost treasure. But they are not alone. The girl’s uncle, Rafen Falvey, wants it, too. Like Chantry, he is well educated, bold, and determined. Under different circumstances the two men might have been friends. But in all likelihood it wouldn’t have made any difference. When it comes to gold, even friendship doesn’t keep men from killing each other.

Someone Is Watching-Joy Fielding 2015-03-24 A pulse-pounding thriller perfect for fans of Lisa Gardner and Mary Higgins Clark with a sly nod toward Alfred Hitchcock’s classic film Rear Window, Someone Is Watching boasts the extraordinary edge-of-your-seat storytelling of bestselling author Joy Fielding at the height of her powers. As a special investigator for a hotshot Miami law firm, Bailey Carpenter is smart, savvy, and fearless. When she’s assigned to spy on a deadbeat dad in the middle of the night, Bailey thinks nothing of the potential dangers, only that she needs to gather evidence. Then she is blindsided—attacked and nearly killed. Now the firm grip Bailey once had on her life is shaken. Her nightmares merge into her waking hours and she’s unable to venture beyond her front door without panicking. A veritable prisoner in her own home, Bailey is uncertain whom she can trust. But old habits die hard, and soon Bailey finds a new use for her idle binoculars: casually observing from her window neighboring buildings and other people’s lives. This seemingly harmless diversion becomes a guilty pleasure when Bailey fixates on the handsome guy across the street—until she realizes that he is also watching her. Suddenly she must confront the terrifying possibility that he may be the man who shattered her life. Though crippled by fear, Bailey knows she can’t ignore her suspicions and risk leaving a predator at large. With the police making no headway in solving her case, she’s determined to overcome her terror and reclaim the power she lost by unmasking her attacker and taking him down herself. But it’s a harrowing battle that threatens to wreck Bailey’s credibility, compromise an investigation, and maybe even claim her sanity. Praise for Someone Is Watching “Someone Is Watching gripped me from the first to the very last page. Bailey Carpenter is a heroine who’s both victim and warrior woman, a fascinating sleuth who will linger with you long after you’ve finished this thrilling read.”—Tess Gerritsen “Joy Fielding has long been a go-to author for me. She never fails to deliver an edge-of-your-seat read, and with her patented blend of complex characters and escalating suspense she is in top form here. I highly recommend Someone Is Watching.”—Karen Robards “Joy Fielding pens a spiraling tale of paranoia and suspense, as sultry as a Miami night. Readers will find a heroine to root for, scold, and ultimately adore in Bailey Carpenter. Though comparisons to Rear Window will inevitably arise, Fielding has created something even more remarkable: a modern-day Gaslight in which both cat and mouse are real, flawed, and eminently relatable.”—Jenny Milchman “Someone Is Watching is a gripping, fast-paced psychological thriller reminiscent of Rear Window and the works of Lisa Gardner. . . . Not geared to the faint of heart, Fielding’s story of one woman’s search for justice, understanding, and internal peace is nothing short of arresting.”—Booklist (starred review) “This engrossing standalone from bestseller Fielding makes you care about Bailey Carpenter. . . . The characters pulsate with life, and there are a few shocks in store—for Bailey and the reader—before the denouement. And the presence of Jade, Claire’s outspoken teen daughter,

blows everyone else off the page.”—Publishers Weekly (starred review) “A pageturning ride with a likable protagonist.”—Kirkus Reviews From the Hardcover edition. The rider is slumped over his mount's neck, impaled by two black-shafted arrows. As the young man lies dying on the road, he tells Karigan he is a Green Rider, one of the legendary messengers of the king of Sacoridia. Before he dies, he begs Karigan to deliver the “life and death” message he bears to King Zachary. When she reluctantly he agrees, he makes her swear on his sword to complete his mission, whispering with his dying breath, "Beware the shadow man...". Taking on the golden-winged horse brooch that is the symbol of the Green Riders, Karigan is swept into a world of deadly danger and complex magic, her life forever changed. Compelled by forces she cannot understand, Karigan is accompanied by the silent specter of the fallen messenger and hounded by dark beings bent on seeing that the message, and its reluctant carrier, never reach their destination.
