Memoires Concernant Christine Reine de Suede,-Johan Arckenholtz 1751

La reine des morts-Tess Gerritsen 2007 Surnommée la Reine des Morts par ses collègues, Maura Isles est sans aucun doute le meilleur médecin légiste de Boston, celle qui mieux que personne sait faire parler les corps... Aussi quand, dans une froide chapelle de l'abbaye de Gravstones, on retrouve le cadavre d'une jeune novice, l'inspecteur Jane Rizzoli fait-elle tout de suite appel à Maura pour résoudre ce crime particulièrement odieux. L'autopsie révèle un lourd secret qui jette le trouble dans la petite communauté des religieuses et rend l'enquête délicate et complexe... Jane et Maura conjuguent leurs forces pour percer les mystères de Gravstones alors qu'elles sont chacune à un tournant de leur vie sentimentale puisque Jane est enceinte et Maura confrontée au retour de son ex-mari. Une intrigue haletante menée par Jane Rizzoli et Maura Isles, un duo de choc déjà plébiscité par des milliers de fans dans le monde.

Le Guide Musical- 1873

French Music in Britain 1830–1914-Paul J Rodmell 2020-11-27 French Music in Britain 1830–1914 investigates the presence, reception and influence of French art music in Britain between 1830 (roughly the arrival of ‘Grand Opera’ and opéra comique in London) and the outbreak of the First World War. Five chronologically ordered chapters investigate key questions such as: * Where and to whom was French music performed in Britain in the nineteenth century? * How was this music received, especially by journal and newspaper critics and other arbiters of taste? * What characteristics and qualities did British audiences associate with French music? * Was the presence and reception of French music in any way influenced by Franco-British political relations, or other aspects of cultural transfer and exchange? * Were British composers influenced by their French contemporaries to any extent and, if so, in what ways? Placed within the wider social and cultural context of Britain’s most ambiguous and beguiling international relationship, this volume demonstrates how French music became an increasingly significant part of the British musician’s repertory and influenced many composers. This is an important resource for musicologists specialising in Nineteenth-Century Music, Music History, and European Music. It is also relevant for scholars and researchers of French Studies and Cultural Studies.

Dictionnaire de Bibliologie Catholique-Gustave Brunet 1860

Representing Duchess Anna Amalia’s Bildung-Christina K. Lindeman 2017-04-21 The cultural milieu in the “Age of Goethe” of eighteenth-century Germany is given fresh context in this art historical study of the noted writers’ patroness: Anna Amalia, Duchess of Weimar-Sachsen-Eisenach. An important noblewoman and patron of the arts, Anna Amalia transformed her court into one of the most intellectually and culturally brilliant in Europe; this book reveals the full scope of her impact on the history of art of this time and place. More than just biography or a patronage study, this book closely examines the art produced by German-speaking artists and the figure of Anna Amalia herself. Her portraits demonstrate the importance of social networks that enabled her to construct scholarly, intellectual identities not only for herself, but for the region she represented. By investigating ways in which the duchess navigated within male-dominated institutions as a means of advancing her own self-cultivation – or Bildung – this book demonstrates the role accorded to women in the public sphere, cultural politics, and historical memory. Cumulatively, Christina K. Lindeman traces how Anna Amalia, a woman from a small German principality, was represented as an active participant in enlightened discourses. The author presents a novel and original argument concerned with how a powerful woman used art to shape her identity, how that identity changed over time, and how people around her shaped it – an approach that elucidates the power of portraiture in eighteenth- and early nineteenth-century Europe.
