<span>Joyful in Thebes-Kathlyn M. Cooney 2015-08-25 An international group of scholars have contributed to Joyful in Thebes, a Festschrift for the distinguished Egyptologist Betsy M. Bryan. The forty-two articles deal with topics of art history, archaeology, history, and philology representing virtually the entire span of ancient Egyptian civilization. These diverse studies, which often present unpublished material or new interpretations of specific issues in Egyptian history, literature, and art history, well reflect the broad research interests of the honoree. Abundantly illustrated with photographs and line drawings, the volume also includes a comprehensive bibliography of Bryan's publications through 2015.</span>

<span>Coup de folie sur la City-Kelly Harte 2011-08-01 Lorsque j'ai quitté la grisaille de Manchester pour m'installer à Londres, j'étais persuadée que le succès serait au rendez-vous. C'était sûr, j'allais faire décoller ma carrière de photographe et me fiancer avec un jeune lord aussi séduisant que richeissime<span> </span>! Des semaines plus tard, je squatte toujours chez ma copine Sophie, aucune agence photos ne semble apprécier mes talents, et, question mecs, c'est le calme encore plus plat que plat.</span>
<span>Mais je ne suis pas du genre à me démoraliser pour si peu<span> </span>: Londres j'y suis, j'y reste<span> </span>! Et j'ai même un super plan en tête<span> </span>: une vieille lady vient de me demander de garder son hôtel particulier en son absence. N'est-ce pas la solution idéale en attendant de décrocher le job de mes rêves, de rencontrer l'homme de ma vie et de devenir enfin une vraie Londonienne<span> </span>?</span>
<span>La reine, la city et les grenouilles-Josselin de Roquemaurel 2014 Mais pourquoi diable les Français franchissent-ils la Manche par milliers pour s'installer à Londres<span> </span>? Quelles forces magnétiques peuvent bien les attirer dans cette ville grise et pluvieuse, où la douceur de vivre se paie au prix fort<span> </span>? Installé depuis plus de dix ans au coeur de la capitale britannique, familier de la City, Josselin de Roquemaurel nous initie, dans ce livre drôle et critique, aux subtilités de la vie londonienne et décrypte le regard porté sur les Français par les insulaires. Tout ce que vous avez toujours voulu savoir sur les paradoxes d'une "émigration choisie" et les singularités d'une métropole devenue le centre incontournable de la mondialisation.</span>

<span>Urban Forests and Trees-Cecil C. Konijnendijk 2005-05-20 This multidisciplinary book covers all aspects of planning, designing, establishing and managing forests and trees and forests in and near urban areas, with chapters by experts in forestry, horticulture, landscape ecology, landscape architecture and even plant pathology. Beginning with historical and conceptual basics, the coverage includes policy, design, implementation and management of forestry for urban populations.</span>
