The Complete Prophecies of Nostradamus-Henry C. Roberts 1982-06

Complete Works of Nostradamus-Nostradamus 2019-09-04 Greetings and happiness to César Nostradamus my son>Your late arrival, César Nostredame, my son, has made me spend much time in constant nightly reflection so that I could communicate with you by letter and leave you this reminder, after my death, for the benefit of all men, of which the divine spirit has vouchsafed me to know by means of astronomy.And since it was the Almighty's will that you were not born here in this region [Provence] and I do not want to talk of years to come but of the months during which you will struggle to grasp and understand the work I shall be compelled to leave you after my death: assuming that it will not be possible for me to leave you such [clearer] writing as may be destroyed through the injustice of the age [1555]. The key to the hidden prediction which you will inherit will be locked inside my heart.Also bear in mind that the events here described have not yet come to pass, and that all is ruled and governed by the power of Almighty God, inspiring us not by bacchic frenzy nor by enchantments but by astronomical assurances: predictions have been made through the inspiration of divine will alone and the spirit of prophecy in particular.On numerous occasions and over a long period of time I have predicted specific events far in advance, attributing all to the workings of divine power and inspiration, together with other fortunate or unfortunate happenings, foreseen in their full unexpectedness, which have already come to pass in various regions of the earth. Yet I have wished to remain silent and abandon my work because of the injustice not only of the present time [the Inquisition] but also for most of the future. I will not commit to writing.Since governments, sects and countries will undergo such sweeping changes, diametrically opposed to what now obtains, that were I to relate events to come, those in power now - monarchs, leaders of sects and religions - would find these so different

Nostradamus and His Prophecies-Edgar Leoni 2013-07-25 Complete, definitive study: biography, historical background, and parallel texts in English and French of all the prophecies, most of the famous — and infamous — interpretations, and much more.

The Prophecies-Nostradamus 2013-12-31 The predictions of the sixteenth-century French astrologer Nostradamus have long proved captivating. He has been credited with anticipating the Great Fire of London, the rise of Adolf Hitler, and the September 11 terrorist attacks. Today, as the world grapples with financial meltdowns, global terrorism, and environmental disasters-as well as the Mayan prediction of the apocalypse on December 21, 2012-his prophecies of doom have assumed heightened relevance. A revelatory new translation with the original French on facing pages, this edition also features extensive introductory and supplementary material, all helping to illuminate the cultural, political, and historical forces that resonate throughout Nostradamus's epic and give it its visionary power.

The Prophecies of Nostradamus-Michel Nostradamus 2020-03-25 The renowned prophet Nostradamus (Michel de Nostradame) is the best known and most accurate mystic and seer of all times. Nostradamus began writing his prophetic verses in the city of Salon in 1554. They are divided into ten sections called Centuries (which refers to the number of verses in each section, not to a unit of 100 years). The Centuries were published in 1555 and 1558, and have been printed continuously since. Nostradamus had the visions that he later recorded in verse while looking into the water or the flame late at night, sometimes helped by herbal stimulants, sitting on a brass tripod. The resulting quatrains (four-line verses) are oblique and elliptical and use puns, anagrams, and allegorical images. Most quatrains are open to multiple interpretations, and some are meaningless. Some of them are frightening, literal descriptions of events, giving specific or quasi-specific names, geographic locations,

astrological configurations and sometimes real dates. It is this quality of imprecision and specificity that allows each new generation to reinterpret Nostradamus. The key to dating Nostradamus' always intriguing and popular predictions has now been discovered! Award-winning author Mario Reading finally found the long-sought-for key, and with it, has uncovered the secret connection that links the seer's various quatrains. With this new knowledge, he can interpret these astonishing predictions in formerly unimagined ways...and give us a glimpse of what the future holds. Among the amazing finds: Nostradamus foresaw the Twin Towers disaster, the Iraq War, the devastating tsunamis, and the flooding of New Orleans. But even more, Reading's groundbreaking translations and sharp commentary state precisely what is still to come. His sometimes extraordinary and shocking forecasts include the demise of the British Monarchy, the breakup of the European Union, and Global War.

The Nostradamus Code-Michael Rathford 2007-06-01 Due to the pressure and scrutiny of the Inquisition, Nostradamus was forced to scramble both the meaning and the order of his quatrains. He made sure humanity would not be able to decode them until we had become sophisticated enough. With the discovery of the lost manuscript, that time has finally arrived. Using cutting-edge data mining techniques, Dr. Michael Rathford sifted this complex word puzzle searching for significant patterns and relationships. Almost immediately, he came up with the predictive model known as The Nostradamus Code. When the prophecies-within-prophecies are deciphered, the hidden timeline of World War III is revealed. You will read about Osama Bin Laden, the next major terrorist attack on the US, war with Iran, the nuclear destruction of Rome, a confrontation between the US and China/Russia, and great detail on the timing and the course of World War III.

Three Temporal Kings-Michal Deschausses 2012-06 This modern rendition of the quatrains of Nostradamus is offered after more than three decades of research. This clarification of the enigmatic verse of Nostradamus is the most comprehensive to date that brings forth the first true understanding - a connection and meaning for the verses not heretofore seen. Each of the verses of the quatrains of Nostradamus speaks about the rampant strategies of one of three Antichrists. Two of these Antichrists would dominate the human race culminating spiritual forces into the Third Antichrist - the One who would fully incarnate the supernatural forces of Satan ultimately torturing humanity in the great and final war against God bringing the End of Days and the cataclysmic changes ushering in a new age. The prophecies of Nostradamus have been in print for almost five hundred years - longer than any book except the Holy Bible. His prophecies are biblically sound. In each new generation people in nearly every nation have continued to pour over the verses of Nostradamus seeking higher truth and understanding. Nostradamus wrote poetic prophecy in the form of quatrains, four line stanzas filled with a medley of perplexing symbols and rhetoric. Each original chapter, called Centuries, contained one hundred quatrains. Even as John in Revelation, Nostradamus did not understand in high detail all the future modalities that he envisioned, and the use of symbolism allowed him to portray his visions without the limitation of mere words. In Century III, Verse 94, Nostradamus explained the fate of his work. He stated that for five centuries his verses would be shrouded in mystery. Then, in the twentieth century an interpreter would bring them to light and understanding. The quatrains of Nostradamus relay an important, divine message to humankind and contain highly moralistic, philosophical, and spiritual wisdom which cannot be ignored. Nostradamus was a prophetic messenger of the Divine Plan. The social, economic, political, and spiritual rewards make it evident that the Nostradamus verses are a divine gift in severe servitude to humanity. The primary purpose for Nostradamus' quatrains has always been to shed light upon written prophecies that were offered to the world in an effort to educate mankind in reference to human iniquities and the effects thereof rendered upon the world in which we live. But, even more, the verses were intended to help people reconnect to the Divine seeing that the spiritual world is a reality that we cannot ignore. Nostradamus wrote exclusively and specifically about Three Temporal Kings who would rise to power resulting from political events beginning in about 1700 A.D. These Antichrists would change the course of history and life on earth for beyond three hundred years until the biblical end of the world when the entire cosmic order would change into a new age. This message of the old prophet coincides directly with the messages of the honored biblical prophecies. Not even taking into account the fact of strong evidence that the quatrains are divine and intended to educate humans in reference to a higher evolutionary path, they have remained in print since the sixteenth century, are a vital part of literature today, and more than likely will be around for a very long time.

Rosa Luxemburg-J. P. Nettl 2019-01-29 A classic book on the legacy of Rosa Luxemburg's work with essays of political analysis by leading scholars As an advocate of social democracy and individual responsibility, Rosa Luxemburg (1871-1919) remains the most eminent representative of the revolutionary socialist tradition. She was a radical activist who was willing to go to prison for her beliefs, including her protest of the First World War. This volume provides a representative sampling of Luxemburg's essential writings, many of which have been rarely anthologized. Her examination of capitalist "globalization" in her era, the destructive dynamics of nationalism, and other topics are joined with hard-hitting political analyses, discussions of labor movement strategy, intimate prison letters, and passionate revolutionary appeals. Among the selections are "Rebuilding the International," "What Are the Leaders Doing?" and excerpts from "The Accumulation of Capital--An Anti-Critique." Luxemburg's powerful impact on the twentieth century is documented in the accompanying essays, which draw readers into the "discussions" that leading intellectuals and activists have had with this vibrant thinker. Included are essays by Luise Kautsky, Lelio Basso, Raya Dunayevskaya, Paul Le Blanc, Andrew Nye, and Claire Cohen. These writers engage Luxemburg's life and work in ways that enrich our understanding of her ideas and advance our thinking on issues that concerned her. This volume will benefit readers with its rich and continuing collective evaluation of this passionate revolutionary's life and thought.

Galactic Alignment-John Major Jenkins 2002-07-01 Explores the central role played by the galaxy in both ancient and modern times in the transformation of the human spirit. • Extends Jenkins' groundbreaking research in Maya Cosmogenesis 2012. • Reveals how the coming Galactic Alignment of era-2012 promises a renewal of human consciousness. • Uncovers the galactic vision of Mayan, Egyptian, Greek, and Vedic cosmologies. The Galactic Alignment is a rare astronomical event that brings the solstice sun into alignment with the center of the Milky Way galaxy every 12,960 years. Building on the discoveries of his book Maya Cosmogenesis 2012, Jenkins demonstrates that the end-date of 2012 does not signal the end of time but rather the beginning of a new stage in the development of human consciousness. He recovers a striking common thread that connects the ancient cosmological insights of the Maya not only to Egyptian thought and Vedic philosophy but also to the diversity of humankind's metaphysical traditions ranging from Celtic sacred topography and Medieval alchemy to the Kabbalah and Islamic astrology. His work presents us with a groundbreaking synthesis of lost wisdom once common to ancient cosmologies that will help us understand the significance of this transformative cosmic milestone.
