Université de France ... Essai sur les idées de l'Apocalypse touchant la personne de Christ, etc-Alfred SCHNEIDER (of Drulingen.) 1855
La Revelation de Christ-Alfred Prempeh-Dapaah 2012-11-01 La révélation de Christ révèle et disserte au sujet de Christ et de sa nature personnelle. Il s'agit de préexistence de Christ, même avant la fondation du monde, étant le Fils du Dieu vivant. Son incarnation en la personne de Jésus-Christ dans l'objectif de révéler le Père au monde entier. Ce récit répand la lumière au sujet des intentions pour lesquelles Christ fût envoyé par le Père; étant principalement, de détruire les uvres du Malin et de réconcilier l'humanité au Père par la vertu de la puissance du Saint-Esprit, l'autorité dont il a doté le Corps du Christ, l'Eglise. L'Eglise de Jésus-Christ doit s'émanciper à manifester, démontrer et refléter la nature divine de Christ pour ainsi servir de témoignages vivants à la gloire de la puissance qui leur a été dispensé, c'est-à-dire le Saint-Esprit. La révélation de Christ définit d'une façon sans précédante le Christ et aspire à l'édification et affermissement de la foi ainsi qu'à la consolidation de l'intimité du croyant avec le Père. La rédaction de ce livre est intégralement inspirée par le Saint-Esprit et par la Parole Vivante de Dieu. Toute la gloire au Père Céleste. Histoire de la Littérature Grecque-Alfred Croiset 1901
Index To Periodical Literature On Christ And The Gospels-Bruce Manning Metzger 1962
BEYOND THE CROSS-Alfred Prempeh-Dapaah 2014-08-14 It is about life beyond the cross. The book takes us through some of what the cross of Calvary actually means and the stages of the life of Christ before, on and beyond the cross after his resurrection and ascension to heaven. In

other words, Jesus Christ before the cross was not the same as he hanged on the cross; neither was he the same Jesus Christ after his resurrection and ascension to heaven (2Corinthians 5:16). It is also an effort to throw some light on the cross of Jesus Christ and its connection to God's plan and power of salvation for mankind; much more, it shares to reveal the rightful position of power and authority of the New Creation in Christ and how he or she can operate in the realms of God's glory right here on earth.

Revelation-Nissan Perez 2003 Revelation: Representations of Christ in Photography is the first book ever published that explores the influence of other art forms on photographic representations of Christ, while also examining the independent evolution of photography's tradition of portraying scenes from the New Testament over a century and a half of image-making. The entire photographic tradition of representing Christ is explored, including the representation of Christ in films. From the contemplative to the controversial, the images illustrate the work of an outstanding cast of international photographers.

Bibliographie de la philosophie- 2002

La Clarté de L'Apocalypse-Charles Brüttsch 1966

The Quest for the Fictional Jesus-Margaret E. Ramey 2013-07-10 For almost two millennia, Jesus' story has been retold in various forms and fashions, but in the last century a new way of reimagining the man from Galilee and rewriting the canonical Gospels has sprung up in the form of Jesus novels. While the novels themselves are as varied as their authors, this work aims at

introducing readers to some common literary strategies and theological agendas found in this rewriting phenomenon by surveying a few prominent examples. It also explores the question of what happens when we examine the intertextual play between these Gospel rewrites and their Gospel progenitors as we allow these contemporary novels to pose new questions to their ancient counterparts. An intriguing hermeneutical circle ensues as we embark on our quest for the fictional Jesus and accompany his incarnations as they lead us back to reexamine the canonical portraits of Jesus anew.

Baron Friedrich Von Hügel and the Debate on Historical Christianity (1902-1905)-John Anthony McGrath 1993 This text studies the thinking of, and interaction among, three men insofar as they were involved in the history-and-dogma controversy of the Catholic modernist crisis - Alfred Loisy, Maurice Blondel and Friedrich von Hügel. Of the three, von Hügel comes closest to maintaining in balance all the elements and dimensions which must be included in any discussion of history and dogma."
