Decadent Aesthetics and the
Acrobat in French Fin de
siècle-Jennifer Forrest
2019-09-10 In his discussion
of clowns in nineteenth-
century French painting from
Jean-Léon Gérôme's 1857 La
Sortie du bal masqué to
Georges Rouault, art historian

Francis Haskell wondered why they are so sad. The myth of the sad clown as an allegory for the unappreciated artist found echoes in the work of literary counterparts like Charles Baudelaire and his "Vieux saltimbanque" who seeks in vain a responsive public. For some, the attraction of the acrobatic clown for the creative imagination may have been his ability to embody the plight of the artist: these

artistes generally led an ambulatory and uncertain existence. Other artists and writers, however, particularly the Decadents, perceived in the circus acrobat - including the acrobatic clown - a conceptual and performative tool for liberating their points of view from the prison-house of aesthetic convention. If authors' protagonists were themselves sometimes failures, their aesthetic innovations often produced exhilarating artistic triumphs. Among the works examined in this study are the circus posters of Jules Chéret, Thomas Couture's Pierrot and Harlequin paintings, Honoré Daumier's saltimbanque paintings, Edgar Degas's Miss Lala au Cirque Fernando, Édouard Manet's Un bar au Folies-Bergère, the pantomimes of the Hanlon-Lees troupe, and novels, short stories, and poems by Théodore de Banville, Edmond de Goncourt, J. K. Huysmans, Gustave Kahn, Jules Laforgue, Catulle Mendès, Octave Mirbeau, Jean Richepin, Edouard Rod, and Marcel Schwob. Monthly Bulletin-San Francisco Public Library 1905

The Love of a Prince-Laurence L. Bongie 2011-11-01 Many books have been written about Bonnie Prince Charlie, but few have brought to light as much new material as this one, including evidence of a short-lived son, born in Paris scarcely two years after the royal fugitive escaped to France following the unlucky Battle of Culloden. The book deals less with the oft-told story of the Prince's crushing defeat in '45 than with his subsequent inability to cope with failure and with the even more devastating personal defeat represented by his arrest in Paris and expulsion from France in 1748. During that critical time - a major turning point in his life - the once generous and compassionate Prince, having failed in his noble ambition

either to vanquish his enemies or perish sword in hand, began his long descent into oblivion. One happy event, hitherto unnoted, nevertheless marked this crucial period. As the Prince in 1747-48 watched his world crumbling around him - his father and brother in Rome having abandoned him and given up hope of a Stuart restoration -- he fell in love, for the first time in his life, with his married cousin Louise, Princesse de Rohan, like himself a direct descendant of Poland's King John Sobieski. The Love of a Prince is her story too and an extensive appendix to the work is devoted to the passionate love letters she wrote during their clandestine affair. They convey the full tragedy of an archetypal femme abandonnee whom we observe progressing from the initial joys of young love to inevitable catastrophe. Ultimately, the princess's suffering and her moral defeat become little more than an unhappy subplot in the Prince's own saga of distrust, bad faith and angry failure set amid the intrigues and petty jealousies of the French court.

Nearly a decade of research by the author in the Stuart Papers at Windsor Castle and in private and public archives has gone into the work. Though at times challenging for the general reader because of its period French documentation (retained for the sake of authentic flavour), the work is by no means directed to the specialist alone. Indeed, at times *The Love of a Prince* reads more like an historical romance than history, despite the total absence of fictional elements. It will appeal to those interested in eighteenth-century history and biography, followers of the royal families of Europe, and especially those long-fascinated by the exploits of one of history's legendary heroes.
