La rivelazione-Davide Ferrero 2015-10-14T00:00:00+02:00 L'investigatore Giovanni Delleani, in arte Cutter, riesce a vederli, ne è certo. Animali abbozzati, lupi mannari e donne fameliche formicolano in ogni quartiere di Milano. Allucinazioni zoomorfiche le chiamano. Visioni di cui Cutter non riesce a liberarsi neanche durante le sue indagini sregolate, le sbronzate epocali e le innumerevoli avventure galanti che non smette di collezionare. La sua vita scorre senza preoccupazioni, fin quando la sorella Marina gli affida la figlia Alice che poco dopo sparisce, proprio mentre le cronache riportano notizie di una serie di crimini a danno di giovani donne, uccise in maniera efferata da un serial killer ormai noto come il Cerusico. Non è tutto: Alice potrebbe essere collegata alle altre vittime da un antico manoscritto che stava studiando per la sua tesi di laurea. Inizia così una disperata corsa contro il tempo per salvare la giovane e porre fine alle gesta del Cerusico. Un thriller visionario e fulminante che cattura il lettore e lo tiene incollato alla storia fino all'ultima pagina.

Shanghai Redemption-Qiu Xiaolong 2015-09-15 "The system has no place for a cop who puts justice above the interests of the Party. It's a miracle that I survived as long as I did." For years, Chen Cao managed to balance the interests of the Communist Party and the promises made by his job. He was both a Chief Inspector of Special Investigations of the Shanghai Police Department and the deputy party secretary of the bureau. He was considered a potential rising star in the Party until, after one too many controversial cases that embarrassed powerful elements in the Party, Chen Cao found himself neutralized. Under the guise of a major promotion, a new position with a substantial title but no power, he's stripped of his job duties and isolated. But that's still not enough, as it becomes increasingly clear that someone is attempting to set him up, for public disgrace and possibly worse. Chen Cao is technically in charge of the corruption case of a "Red Prince"—a powerful, high Party figure who embodies the ruthless ambition, greed, and corruption that is increasingly evident in the new China. This "Red Prince" has the kind of connections and power to deflect any attempts to bring him to justice. Now with no power, few allies, and with his own reputation on the line, the former Inspector Chen is facing the most dangerous investigation of his career, and his life.

Jack of Spades-Joyce Carol Oates 2015-05-05 An exquisite, psychologically complex thriller about opposing forces within the mind of one ambitious writer and the delicate line between genius and madness. Andrew J. Rush has achieved the kind of critical and commercial success most authors only dream about: He has a top agent and publisher in New York, and his twenty-eight mystery novels have sold millions of copies. Only Stephen King, one of the few mystery writers whose fame exceeds his own, is capable of inspiring a twinge of envy in Rush. But Rush is hiding a dark secret. Under the pseudonym "Jack of Spades," he pens another string of novels—noir thrillers that are violent, lurid, and masochistic. These are novels that the upstanding Rush wouldn't be caught reading, let alone writing. When his daughter comes across a Jack of Spades novel he has carelessly left out, she picks it up and begins to ask questions. Meanwhile, Rush receives a court summons in the mail explaining that a local woman has accused him of plagiarizing her own self-published fiction. Before long, Rush's reputation, career, and family life all come under threat—and in his mind he begins to hear the taunting voice of the Jack of Spades. "Sleek and suspenseful. . . Readers are sure to be gripped and unsettled by [Oates'] depiction of a seemingly mild-mannered character whose psychopathology simmers frighteningly close to the surface." —Publishers Weekly, starred review "Just when you think you've got her all figured out, Joyce Carol Oates sneaks up behind and confounds you yet again. She does it with a wicked flourish in Jack of Spades." —The New York Times Book Review

The Last Crusader-Louis De Wohl 2010-01-01 Don Juan of Austria, one of history's most triumphant and inspiring heroes, is reborn in this opulent novel by Louis de Wohl. Because of the circumstances of his birth, this last son of Emperor Charles the Fifth spent his childhood in a Spanish peasant's hut. Acknowledged by King Philip as his half-brother, the attractive youth quickly became a central figure in a Court where intrigues and romances abounded. Don Juan's intelligence, kindness and devout attachment to the Church enabled him to live in an environment of unscathed luxury, violence and treachery. De Wohl paints in brilliant color scenes at the Court of King Philip, Juan's campaign against barbaric Moriscos in Andalusia and the climatic victory at Lepanto where he saved the Christian world from Islamic dominance. The Last Crusader abounds in vivid scenes and characters. Who can forget the sadistic nature of the Prince of Asturias, the spirituality of Fray Juan de Calahorra, the scheming of beautiful Princess Ana of Eboli, the barbaric siege of Malta, or Emperor Charles the Fifth waiting for death, in his stygian throne room? Here is a novel of high adventure which brings to life the turbulence of the sixteenth century with its extremities of the wickedness and piety, its sins of pride and conquest, its seething heresies. With his strong talent for exciting historical narrative, Louis de Wohl adds another great dynamic novel to his already lustrous career. Notes on a Shipwreck-Davide Enia 2019-02-19 A moving firsthand account of migrant landings on the island of Lampedusa that gives voice to refugees, locals, and volunteers while also exploring a deeply personal father-son relationship. On the island of Lampedusa, the southernmost part of Italy, between Africa and Europe, Davide Enia looks in the faces of those who arrive and those who wait, and tells the story of an individual and collective shipwreck. On one side, a multitude in motion, crossing entire nations and then the Mediterranean Sea under conditions beyond any imagination. On the other, a handful of men and women on the border of an era and a continent, trying to welcome the newcomers. In the middle is the author himself, telling of what actually happens at sea and on land, and the failure of words in the attempt to understand the present paradoxes. Enia reveals the emotional consequences of this touching and disconcerting reality, especially in his relationship with his father, a recently retired doctor who agrees to travel with him to Lampedusa. Witnessing together the public pain of those who land and those who save them from death, alongside the private pain of his uncle's illness, pushes them to reinvent their relationship, to forge a new and unprecedented dialogue that replaces the silences of the past.

A Private Matter-Beppe Fenoglio 1988 Fenoglio's last work, the short -partisan novel- entitled "A "Private Matter, " was published in April of 1963, two months after the author's death. Had he been alive, Fenoglio would have been happy to witness the enthusiasm which greeted the publication of his book. Among those who read the novel and praised it most highly we find Italo Calvino: -And it was the most solitary of us who succeeded in writing the novel we all wanted to write about the war (...) Only now thanks to Fenoglio, we can say that a season was completed, and only now we are certain that it really existed: the season that goes from "Il sentiero dei nidi di ragno" (1947) to "Una questione privata" (1963).-

The Dry Heart-Natalia Ginzburg 2019-06-25 Finally back in print, a frighteningly lucid feminist horror story about marriage The Dry Heart begins and ends with the matter-of-fact pronouncement, "I shot him between the eyes." Everything in between is a plunge into the chilly waters of loneliness, desperation, and bitterness—and as the tale proceeds, the narrator's murder of her flighty husband takes on a certain logical inevitability. In this powerful novella, Natalia Ginzburg's writing is white-hot, fueled by rage, stripped of any preciousness or sentimentality; she transforms an ordinary dull marriage into a rich psychological thriller that might pose the question: why don't more wives kill their husbands?

This Business of Living-Cesare Pavese 2017-09-08 On June 23rd, 1950, Pavese, Italy's greatest modern writer received the coveted Strega Award for his novel Among Women Only. On August 26th, in a small hotel in his home town of Turin, he took his own life. Shortly before his death, he methodically destroyed all his private papers. His diary is all that remains and for this the contemporary reader can be grateful. Contemporary speculation attributed this tragedy to either an unhappy love aff air with the American film star Constance Dawling or his growing disillusionment with the Italian Communist Party. His Diaries, however, reveal a man whose art was his only means of repressing the specter of suicide which had haunted him since childhood: an obsession that finally overwhelmed him. As John Taylor notes, he possessed something much more precious than a political theory: a natural sensitivity to the plight and dignity of common people, be they bums, priests, grape-pickers, gas station attendants, office workers, or anonymous girls picked up on the street (though to women, the author could—as he admitted—be as misogynous as he was affectionate). Bitter and incisive, This Business of Living, is both moving and painful to read and stands with James Joyce's Letters and Andre Gide's Journals as one of the great literary testaments of the twentieth century.

The Beautiful Summer-Cesare Pavese 2018-06-07 'An astonishing portrait of an innocent on the verge of discovering the cruelties of love... there are whispers here of the future work of Elena Ferrante' Elizabeth Strout, from the introduction 'Life was a perpetual holiday in those days...' Spit Three Times-Davide Revati 2020-06-16 Winner of the Carlo Boscarato Prize 2016 Winner of the Lo Straniero Prize 2016 Winner of the Attilio Micheluzzi Prize for Best Writing 2017 Sélection Officielle Angoulême 2018 In a forsaken corner of the Italian countryside, Guido and his friends Moreno and Katango spin out their days in languor and boredom intermixed with desire and, occasionally, violence. Nearby live the Stančić, a family of Romani who escaped the communist regime of Marshal Tito and settled here just after World War II. Guido's coming-of-age is changed by the evolving relationship that the rural town has with this group of outsiders, these "gypsies." The author is unsparing in his depiction of the townspeople's cruelty. And yet, there are also many instances of solidarity between Guido's community and the Stančić. Revati's first book in English, Spit Three Times is an extraordinary story of young men, disillusioned and trying to find their way, caught in the breach between post-war exuberance and the stagnation of the early twenty-first century.

Freedom of Religion Or Belief-Heiner Bielefeldt 2016 Violations of religious freedom and violence committed in the name of religion grab our attention on a daily basis. Freedom of Religion or Belief is a key human right, the International Covenant on Civil and Political Rights, numerous conventions, declarations and soft law standards include specific provisions on freedom of religion or belief. The 1981 Declaration on the Elimination of All Forms of Intolerance and of Discrimination Based on Religion or Belief has been interpreted since 1986 by the mandate of the UN Special Rapporteur on freedom of religion or belief. Special Rapporteurs (for example those on racism, freedom of expression, minority issues and cultural rights) and Treaty Bodies (for example the Committee on the Elimination of Racial Discrimination and the Committee on the Rights of the Child) have also elaborated on freedom of religion or belief in the context of their respective mandates. Freedom of Religion or Belief: An International Law Commentary is the first commentary to look comprehensively at the international provisions for the protection of freedom of religion or belief, considering how they are interpreted by various United Nations Special Procedures and Treaty Bodies. Structured around the thematic categories of the United Nations Special Rapporteur's framework for communications, the commentary analyses the limitations on the wearing of religious symbols and vulnerable situations, including those of women, detainees, refugees, children, minorities and migrants, through a combination of scholarly expertise and practical experience.

Political Orthodoxies-Cyril Hovorun 2018-10-01 Dispatches on nationalism and religion As an insider to church politics and a scholar of contemporary Orthodoxy, Cyril Hovorun outlines forms of political orthodoxy in Orthodox churches, past and present. Hovorun draws a big picture of religion being politicized and even weaponized. While Political Orthodoxies assesses phenomena such as nationalism and anti-Semitism, both widely associated with Eastern Christianity, Hovorun focuses on the theological underpinnings of the culture wars waged in eastern and southern Europe. The issues in these wars include monoarchy and democracy, Orientalism and Occidentalism, canonical territory, and autocephaly. Wrought with peril, Orthodox culture wars have proven to turn toward bloody conflict, such as in Georgia in 2008 and Ukraine in 2014. Accordingly, this book explains the aggressive behavior of Russia toward its neighbors and the West from a religious standpoint. The spiritual revival of Orthodoxy after the collapse of Communism made the Orthodox church in Russia, among other things, an influential political protagonist, which in some cases goes ahead of the Kremlin. Following his identification and analysis, Hovorun suggests ways to bring political Orthodoxy back to the apostolic and patristic track. Broken Glass-Arthur Miller 1994 "Broken Glass is a brave, bighearted attempt by one of the pathfinders of postwar drama to look at the tangle of evasions and hostilities by which the soul contrives to hide its emptiness from itself." John Lahr (The New Yorker) Brooklyn, 1938: Sylvia Gelburg is stricken by a mysterious paralysis in her legs for which the doctor can find no cause. He soon realizes that she is obsessed by the devastating news from Germany, where government thugs have begun smashing Jewish stores. But this experience is intermeshed with what he learns is her strange relationship with her husband Philip. When the two seemingly unrelated situations concatenate, a tragic flare of light opens on the age. 'His strongest play for many years, a gripping and at times powerfully affecting drama. As almost always in his work, it balances private lives with public morality...It is also an amazingly full-blooded piece, bursting with pain and passion.' (Charles Spencer Daily Telegraph)

Fascism-Renzo De Felice 2017-07-05 For Italian intellectuals, the terms fascist and antifascist continue to be the hard currency of contemporary political debate-to the point that if you are not one, you must be the other. When professor Renzo de Felice suggests that fascism describes a moment in the Italian past-and only that-he is challenging the very heart of current orthodoxy. The nature of his analysis of the recent Italian past is itself at odds with the traditional version, and represents a radical departure from conventional wisdom. De Felice's ideas about fascism have a broad signifn cance, quite apart from their importance in the contemporary Italian scene. Perhaps no one knows as much about fascism, and no one has given the subject such a rigorous historical analysis.

The Life of Saint Francis-Saint Bonaventure 1904 The grace of God our Saviour hath in these latter days appeared in His servant Francis unto all such as be truly humble, and lovers of holy Poverty, who, adoring the overflowing mercy of God seen in him, are taught by his example to utterly deny ungodliness and worldly lusts and to live after the manner of Christ, thirsting with unwearied desire for the blessed hope. For God Most High regarded him, as one that truly was poor and of a contrite spirit, with so great condescension of His favour as that not only did He raise him up in his need from the dust of his worldly way of life, but also made him a true professor, leader, and herald of Gospel perfection. Approaches to Theological Ethics-Maureen Junker-Kenny 2019-11-14 Maureen Junker-Kenny offers a systematic overview of the discipline of theological ethics in the variety of its approaches, which draw upon different philosophical traditions and theological visions in treating its sources. Part One examines the four sources of theological ethics: the Bible, tradition, philosophical accounts of the human, and the individual human sciences. Part Two compares five frameworks in English- and German-speaking theological ethics, based on virtue, worship, natural law, autonomy, and feminist analyses. Part Three compares three types of vision - integralist, praxis-oriented, and discourse-focused - , and Junker-Kenny concludes by situating the investigation of the discipline within contemporary philosophical and theological exchanges on religion in the public sphere. The book provides a framework in which students can locate the specific use of core ethical concepts and argumentations, comparing how each approach relates to the Bible, to historical reason, theological thought, practical self-understandings and interdisciplinary perspectives on ethics in a scientific and technological culture. In an age of globalisation where different cultures, religions, lifestyles and values meet in the workplace, in schools, and in public spaces shaped by religious and cultural traditions, it is necessary to foster the ability to create possibilities and venues for dialogue between different self-understandings. Analysing the variety of approaches to theological ethics helps articulate different visions of what constitutes a fulfilled life, of how the moral vocation of each human being can be supported, and of the role of the Christian faith for ethics.

The Devil in the Hills-Cesare Pavese 2002 Three young men while away the sun-drenched summer talking, drinking - rarely sleeping - and there is an overwhelming sense that it is the last time they will be able to indulge in such idle pleasures. In contrast to their feelings of transience, the prolonged leisure of their new, wealthy acquaintance, Poli, fascinates them. For a while they linger in his world, in his decaying villa, half-appalled by his cocaine addiction, his blasphemy, his corrupt circle of friends, but none the less mesmerized until autumn creeps upon the hillside and the seasonal moment of leave-taking arrives.

Reforming Music-Chiara Bertoglio 2017-03-06 Five hundred years ago a monk nailed his theses to a church gate in Wittenberg. The sound of Luther's mythical hammer, however, was by no means the only aural manifestation of the religious Reformations. This book describes the birth of Lutheran Chorales and Calvinist Psalmody; of how music was practised by Catholic nuns, Lutheran schoolchildren, battling Huguenots, missionaries and martyrs, cardinals at Trent and heretics in hiding, at a time when Palestrina, Lasso and Tallis were composing their masterpieces, and forbidden songs were concealed, smuggled and sung in taverns and princely courts alike. Music expressed faith in the Evangelicals' emerging worship and in the Catholics' ancient rites; through it new beliefs were spread and heresy countered; analysed by humanist theorists, it comforted and consoled miners, housewives and persecuted preachers; it was both the symbol of new, conflicting identities and the only surviving trace of a lost unity of faith. The music of the Reformations, thus, was music reformed, music reforming and the reform of music: this book shows what the Reformations sounded like, and how music became one of the protagonists in the religious conflicts of the sixteenth century.

Religion and Public Reason-Maureen Junker-Kenny 2014-04-02 This book compares three approaches to public reason and to the public space accorded to religions: the liberal platform of an overlapping consensus proposed by John Rawls, Jürgen Habermas's discourse ethical reformulation of Kant's universalism and its realization in the public sphere, and the co-founding role which Paul Ricoeur attributes to the particular traditions that have shaped their cultures and the convictions of citizens. The premises of their positions are analysed under four aspects: (1) the normative framework which determines the specific function of public reason; (2) their anthropologies and theories of action; (3) the dimensions of social life and its concretization in a democratic political framework; (4) the different views of religion that follow from these factors, including their understanding of the status of metaphysical and religious truth claims, and the role of religion as a practice and conviction in a pluralist society. Recent receptions and critiques in English and German are brought into conversation: philosophers and theologians discuss the scope of public reason, and the task of translation from faith traditions, as well as the role they might have in the diversity of world cultures for shaping a shared cosmopolitan horizon. The House on the Hill-Cesare Pavese 1956
