Riviera as you flip through a vivid full-color photo album. Explore the layout of city centers and popular neighborhoods with easy-to-read full-color maps. Plus get an overview of French geography with the convenient atlas at the end of the ebook. What's Covered? Get to Know Provence & the French Riviera: Famed for its Lavender Route, the honey-gold hill towns of the Luberon, and vibrant cities like Aix and Marseilles, Provence was dazzlingly abstracted in geometric daubs of paint by van Gogh and Cézanne. Still haunted by the genius of van Gogh, Arles remains fiercely Provençal and is famed for its folklore events. The spiky Alpilles mountains guard treasures like les Bauz-de-Provence: be bewitched by its ville morte (dead town) and luxurious l'Oustau de la Baumanière inn. Avignon and the Vaucluse are the heart of Provençal delights. Presided over by its medieval Palais des Papes, Avignon is an ideal gateway for exploring the nearby Roman ruins of Orange. About 10 miles east of Avignon is the Sorgue Valley, where

everybody goes “flea”-ing in the famous antiques market at l’Isle-sur-la-Sorgue. For one day, join all those fashionable folk for whom café squatting, people watching, and boutique shopping are a way of life in Aix-en-Provence (one of France’s 10 richest towns). Enjoy the elegant 18th-century streets, then track the spirit of Cézanne at his famous studio and nearby Mont Ste-Victoire. Head south to become a Calanques castaway before diving into Marseille, one of France’s most vibrant and colorful cities. The French Riviera can supply the visitor with everything his heart desires—and his purse can stand. Home to sophisticated resorts beloved by billionaires, remote hill villages colonized by artists, Mediterranean beaches, and magnificent views, the Côte d’Azur stretches from Marseille to Menton. Thrust out like two gigantic arms, divided by the Valley of the Var at Nice, the Alpes-Maritime peaks protect the length of that favored coast from St-Tropez to the Italian frontier. Note: This ebook edition is adapted from

Fodor's Provence & the French Riviera, 9th Edition but differs in some content. Additionally, the ebook edition includes photographs and maps that will appear on black-and-white devices but are optimized for devices that support full-color images. Advocates for the Oppressed-Malcolm Ebright 2014-12-01

Struggles over land and water have determined much of

New Mexico's long history.

The outcome of such disputes, especially in colonial times,

often depended on which

party had a strong advocate

to argue a case before a local tribunal or on appeal. This

book is partly about the

advocates who represented the parties to these disputes,

but it is most of all about the Hispanos, Indians, and

Genízaros (Hispanicized

nomadic Indians) themselves and the land they lived on and

fought for. Having written about Hispano land grants

and Pueblo Indian grants separately, Malcolm Ebright

now brings these narratives together for the first time,

reconnecting them and resurrecting lost histories. He

emphasizes the success that

advocates for Indians, Genízaros, and Hispanos have had in achieving justice for marginalized people through the return of lost lands and by reestablishing the right to use those lands for traditional purposes.

The Treaties of Canada with the Indians of Manitoba and the North-West Territories- Alexander Morris 2014-01-23

Alexander Morris (1826-89) served as lieutenant-governor of Manitoba and the

Northwest Territories, not long after Canada purchased the latter from the Hudson's Bay Company in 1869. This

colossal land transfer was a source of unrest for the indigenous peoples, who were displeased about the arrival of

missionaries and other settlers. Morris was involved

in negotiating treaties over issues such as land rights,

publishing this account in 1880. He provides some

historical context to the many

negotiations in which he participated as well as some of his thoughts on how the agreements could best be implemented. The work, which also includes the full texts of these treaties, remains a valuable source on the history of the relationship between Europeans and indigenous peoples during the settlement of the outer reaches of Canada.
