The King of Crows-Libba Bray 2020-02-04 The breath-taking finale to the epic New York Times bestseller, The Diviners, from Printz winner and beloved author, Libba Bray. After the horrifying explosion that claimed one of their own, the Diviners find themselves wanted by the US government, and on the brink of war with the King of Crows. While Memphis and Isaiah run for their lives from the mysterious Shadow Men, Isaiah receives a startling vision of a girl, Sarah Beth Olson, who could shift the balance in their struggle for peace. Sarah Beth says she knows how to stop the King of Crows-but, she will need the Diviners' help to do it. Elsewhere, Jericho has returned after his escape from Jake Marlowe's estate, where he has learned the shocking truth behind the King of Crow's plans. Now, the Diviners must travel to Bountiful, Nebraska, in hopes of joining forces with Sarah Beth and to stop the King of Crows and his army of the dead forever. But as rumors of towns becoming ghost towns and the dead developing unprecedented powers begin to surface, all hope seems to be lost. In this sweeping finale, The Diviners will be forced to confront their greatest fears and learn to rely on one another if they hope to save the nation, and world from catastrophe...

Our Towns-James Fallows 2018-05-08 \*\*\*NATIONAL BEST SELLER\*\*\* A vivid, surprising portrait of the civic and economic reinvention taking place in America, town

by town and generally out of view of the national media. A realistically positive and provocative view of the country between its coasts. For the last five years, James and Deborah Fallows have been traveling across America in a single-engine prop airplane. Visiting dozens of towns, they have met hundreds of civic leaders, workers, immigrants, educators, environmentalists, artists, public servants, librarians, business people, city planners, students, and entrepreneurs to take the pulse and understand the prospects of places that usually draw notice only after a disaster or during a political campaign. The America they saw is acutely conscious of its problems—from economic dislocation to the opioid scourge—but itis also crafting solutions, with a practical-minded determination at dramatic odds with the bitter paralysis of national politics. At times of dysfunction on a national level, reform possibilities have often arisen from the local level. The Fallowses describe America in the middle of one of these creative waves. Their view of the country is as complex and contradictory as America itself, but it also reflects the energy, the generosity and compassion, the dreams, and the determination of many who are in the midst of making things better. Our Towns is the story of their journey—and an account of a country busy remaking itself.
