La rose de vie (pulp gay)-  
Maxime Fulbert 2014-06-20  
La rose de vie Maxime Fulbert  
Simon, lycéen, aime Florent,  
un de ses camarades de classe  
plus connu pour son physique  
avantageux que pour ses  
résultats scolaires. Les deux  
garçons complémentaires se  
rapprochent. Florent a un  
complexe incompréhensible :  
il n'aime pas son nez et  
souhaite le refaire. Tommy

Bolton, un étudiant américain,  
troublé par Florent, et adepte  
de La Rose de vie propose à  
ce dernier de lui offrir  
l'intervention esthétique en  
Californie. Simon a peur que  
ce cadeau cache un  
endoctrinement à une secte.

Dictionary of Literary Themes  
and Motifs-Jean-Charles  
Seigneuret 1988 This index is  
a veritable who's who of the  
greats of Western literature. .  
. . The Board recommends it  
for every collection whose  
users conduct analytical  
studies of literature.  
Reference Books Bulletin The  
powerful hold that literature  
exercises is based primarily  
on recognition--the reader's  
ability to identify with others  
through shared human  
concerns that transcend ttime,  
time, and cultural boundaries.

These universal themes, and  
how they have been treated in  
literature from the classical  
period to the present, are the  
subject of the critical essays  
comprising this volume. A  
fascinating resource for  
students and general readers  
and an essential research tool  
for scholars in literature, it is  
the first thematic reference  
on this scale to be published  
in English. The dictionary  
consists of 143 essays  
contributed by 98 specialists  
in world literature. Topics  
covered include themes  
relating to adventure, family  
life, the supernatural,  
eroticism, status, humor,  
idealism, terror, and many  
other categories of human  
experience. Each entry begins  
with a definition and a sketch  
on the origin and historical  
background of the literary  
theme. The topical essay  
discusses the significance and  
occurrence of the theme in  
world literature and supplies  
information on geographical  
area, genre, style, and  
chronology. Entries conclude  
with a selected bibliography  
of scholarship in the area. A  
cross-index to themes and  
motifs will enable the reader  
to find information on

secondary or related topics. Convenient to use and presented in a standardized format, this major new reference will be an important acquisition for libraries with collections in English, American, and world literature.

The Dictionary of Homophobia-Louis-Georges Tin 2008-11-01 "Tin's Dictionary of Homophobia is so sweeping in its scope that one can dip into it again and again and learn something, or confront an idea in which even the most well-read queer will find fresh intellectual nourishment and historical illumination."—Gay City News Based on the work of seventy researchers in fifteen countries, The Dictionary of Homophobia is a mammoth, encyclopedic book that documents the history of homosexuality, and various cultural responses to it, in all regions of the world: a masterful, engaged, and wholly relevant study that traces the political and social emancipation of a culture. The book is the first English translation of Dictionnaire de L'Homophobie, published in France in 2003 to worldwide

acclaim; its editor, Louis-Georges Tin, launched the first International Day Against Homophobia in 2005, now celebrated in more than fifty countries around the world. The Dictionary of Homophobia includes over 175 essays on various aspects of gay rights and homophobia as experienced in all regions in Africa, the Americas, Asia, Europe, and the South Pacific, from the earliest epochs to present day. Subjects include religious and ideological forces such as the Bible, Communism, Judaism, Hinduism, and Islam; historical subjects, events, and personalities such as AIDS, Stonewall, J. Edgar Hoover, Matthew Shepard, Oscar Wilde, Pat Buchanan, Joseph McCarthy, Pope John Paul II, and Anita Bryant; and other topics such as coming out, adoption, deportation, ex-gays, lesbophobia, and bi-phobia. In a world where gay marriage remains a hot-button political issue, and where adults and even teens are still being executed by authorities for the "crime" of homosexuality, The Dictionary of Homophobia is a both a revealing and necessary

Canadian Who's Who 2007-  
Elizabeth Lumley 2007 " Now  
in its ninety-seventh year of  
publication, this standard  
Canadian reference source  
contains the most  
comprehensive and  
authoritative biographical  
information on notable living  
Canadians. Those listed are  
carefully selected because of  
the positions they hold in  
Canadian society, or because  
of the contribution they have  
made to life in Canada. The  
volume is updated annually to  
ensure accuracy, and 600 new  
entries are added each year to  
keep current with developing  
trends and issues in Canadian  
society. Included are  
outstanding Canadians from  
all walks of life: politics,  
media, academia, business,  
sports and the arts, from  
every area of human activity.  
Each entry details birth date  
and place, education, family,  
career history, memberships,  
creative works, honours and  
awards, and full addresses.
