Mais que peut-elle contre l’armée des MacDonald, bien plus nombreuse que ses propres hommes<span> </span>? En bas des remparts, elle aperçoit déjà celui qui s’apprête à forcer leurs défenses. Une silhouette massive, des cheveux noirs comme les ténèbres, une épée maculée de sang... Le Loup de Lochaber. The Lily and the Thistle-William Calin 2013-12-31 In The Lily and the Thistle, William Calin argues for a reconsideration of the French impact on medieval and renaissance Scottish literature. Calin proposes that much of traditional, medieval, and early modern Scottish culture, thought to be native to Scotland or primarily from England, is in fact strikingly international and European. By situating Scottish works in a broad intertextual context, Calin reveals which French genres and modes were most popular in Scotland and why. The Lily and the Thistle provides appraisals of medieval narrative texts in the high courtly mode (equivalent to the French “dits amoureux”); comic, didactic, and satirical texts; and Scots romance. Special attention is accorded to texts composed originally in French such as the Arthurian “Roman de Fergus,” as well as to the lyrics of Mary Queen of Scots and little known writers from the French and Scottish canons. By considering both medieval and renaissance works, Calin is able to observe shifts in taste and French influence over the centuries.
